Hello Ed and staff!

On behalf of Make-A-Wish® Michigan, and more importantly from wish child Riley and his family, please accept my deepest gratitude for your expertise, professionalism and generosity. We greatly appreciate your taking the time to make Riley's handicap accessible Golf Cart a fantastic experience. Thank you so much for your fantastic discount on the paint job. Riley and his family had an amazing wish experience!

The Make -A- Wish Foundation® of Michigan is on target to grant over 400 wishes this year in the state. Because of the kindness of people like you, we are able to continue to bring smiles to our wish children and their families. Together, we can make wishes come true.

Warm Wishes,

Merry
